In all cases the cave visited was Swildon's Hole, Priddy, Mendip. On Sunday 30/1/54, we trudged through the snow to Wellington Farm, for the purpose of inquiring about a spare barn. We were unlucky here, but had a tip on another likely farm called Piney Sleight.

The date of the next meeting will be 26th to 28th February, and will be further exploration of Swildon's Hole. Will all members wishing to go please inform M. Cotter.
