9th November 2023

Dear Mendip Caving Group

Reciprocal Rights with South Wales Caving Club

Thank you for your letter and e-mails concerning the above.

I would like to confirm the agreement between The South Wales Caving Club (SWCC) and the Mendip Caving Group (MCG); that members of each club share reciprocal rights when staying overnight at each other's premises. Members' rates are to be paid by MCG members staying at SWCC HQ and likewise for SWCC members staying at the MCG Hut on Mendip. Up to five MCG members are welcome to stay without prior booking and as space permits at the SWCC HQ, larger groups should reserve space through the SWCC hut [booking system](#) on our website.

Reciprocal rights concern hut accommodation only, and does not extend to keys or permits. Keys reserved to SWCC members are not available for use by MCG Members, who will need to ensure that they have a permit in place for trips requiring a key – this includes OFD and Pant Mawr. If MCG members need assistance with permits, please contact permit_secretary@swcc.org.uk.

These reciprocal rights are to last until the end of 2028 unless revoked by either party.

Yours sincerely,

Tim Lewingdon
SWCC Secretary | secretary@swcc.org.uk
