

Minutes of MCG Committee Meeting November 3rd 2018

Present: Russ, Tom, Bill, Dave L (and Ben C)

Most of our time was spent discussing the new CIO constitution.

Action Bill to submit a marked-up draft to Steve Porter for review (done).

Dave L asked about Fire Safety Escapes. We could check with John Crowsley and Hayley about what might be appropriate. The matter is really one for the cottage Warden to pursue.

Action Cottage Warden to investigate.
